MEMORANDUM FOR: Deputy Director (Support)

SUBJECT : Processing of Agency Regulations  
Within DD/P

REFERENCE : RCS Memorandum of 2 October 1956  
to SSA-DD/S, Subject: "Regulatory  
Issuances in the Office of DD/P"

1. I have authorized [redacted] and his people to slightly increase the amount of their overtime in order to take care of the backlog of Agency regulations [redacted] and notices in process of coordination within the DD/P. Although major reductions had been accomplished in the SSA Publications Unit, the past two months has seen a leveling off at a point somewhat higher than is desirable.

2. A memorandum dated 2 October addressed to the SSA-DD/S from the Acting Chief, Regulations Control Staff listed 41 items which were scheduled for return to the Regulations Control Staff. This list failed to report one [redacted] regulation so the number of these in process in DD/P was 42 as of 28 September. By the end of October, 16 of these 42 items had been completely coordinated within DD/P and forwarded by SSA Publications Unit. An additional seven items either have been or are being deleted from the list forwarded by the Acting Chief, Regulations Control Staff because of withdrawals.

3. I wish to bring [redacted] efforts to your attention. He has assured me that, of the remaining 19 items, 9 will definitely be completed by the end of November and we will perhaps be able to forward still others.
